All Hands on Deck

- * Don't forget to update your gradebooks so students and parents can check on progress.
- * If you are in need of a fire drill stick or an evacuation map, then please contact Ms. Smoots.
- * Please use Riverside ALL only for important school-related communication. If you have questions about whether an email should go to Riverside All, then feel free to run it by an administrator.
- * All District Resources are located at <https://central.dpsnc.net/home>. Please bookmark it.

Shipshape Crewmate

Amy Bass: Ms. Bass is most helpful to all of us on a daily basis. Parents continuously share stories about how she has helped them navigate a system that is not always easy to navigate. In the front office, she is always willing to lend a helping hand, as well. Thank you Ms. Bass for being so helpful to our school community!!!!

~~~~~ Making Waves

Collaborative Learning: According to our School Improvement Plan, students should participate in relevant collaborative learning opportunities daily. I know some teachers struggle with implementing this in their classroom. Read this article, [Making Cooperative Learning Work Better](#), for research regarding cooperative learning, thinking through problems with cooperative learning, and solutions. If you need assistance with implementing collaborative learning strategies, then reach out to Alaina Burr.

Batten Down the Hatches

- ✓ Please have your organization station, door sign, book sign and tutoring schedule on your door.
- ✓ Check your email and voicemail daily. Set up your voicemail.
- ✓ Take attendance for each class period daily.
- ✓ Please be on your duty station on time each day.

"Everything that irritates us about others can lead us to an understanding of ourselves." Carl Jung
