

Homeroom Handy Dandy Sheet

We are on the homeroom schedule every Monday. The extra time allotted during homeroom is to ensure our students take advantage of the time provided during SMART Lunch. Please ensure all students have a weekly schedule completed by the end of the class period.

- Students should check their grades for each class.
 - If students have grades that indicate a “C” or below, the student should report to tutoring for the class on the designated tutoring day during SMART lunch. Have students download the Powerschool App if they have a cell phone.
 - Please remind students SMART lunch can be used to make-up assignments such as tests, quizzes, and other missed work.
- Students will outline their Weekly Schedule using the SMART lunch student schedule.

	Monday	Tuesday	Wednesday	Thursday	Friday
A					
B					

SMART Lunch student choices:

1. Tutoring
